sebastian@blacklyexactly.com

EDUCATION

SOME COLLEGE (NO
DEGREE)

TEB / Gorzów Wielkopolski / 2023

SKILLS

JavaScript, TypeScript

CSS, SCSS, Tailwind

HTML

React

Next.js

Astro, Gatsby, Angular

As a budding Frontend Developer, I possess a profound understanding of HTML, CSS, and JavaScript, with a specialized emphasis on the React library. My expertise extends to crafting responsive user interfaces and enhancing performance optimization. I have honed my skills through effective teamwork, collaborating seamlessly with design and backend colleagues. I am on the lookout for a dynamic workplace that prizes innovative tech solutions and encourages professional advancement. With a passion for tackling new challenges, I am dedicated to upholding high standards of code quality. My commitment and inventive mindset equip me to add significant value to any project I undertake. I eagerly anticipate a favorable evaluation of my application and welcome constructive feedback.
